Ritratti in galleria (Portraits in the Gallery)

Photographs by ENNIO D'ALTRI

24 November – 22 December 2018

The exhibition opens at Studio Cenacchi, Via Santo Stefano 63, Bologna, on Saturday 24 November at 6 pm.

The exhibition presents a carefully chosen selection from the many celebrated portraits made by Ennio D'Altri throughout his photographic career. Particular attention is given to his portraits of people from Bologna, both well-known and less familiar.

During the exhibition, a photographic set will be installed in the gallery. D'Altri will create new portraits there, which will immediately be added to the exhibition and made available for purchase.

ENNIO D'ALTRI

Originally from Cervia in Romagna, Ennio D'Altri has lived and worked in Bologna, his adopted city, for many years. He worked at the Cineteca Comunale di Bologna from 1980 to 1998, a period that further nurtured his passion for black-and-white portrait photography.

He has generally preferred to exhibit outside institutional venues, choosing spaces that allow for more direct contact with the public. His work has been shown in Bologna and other Italian cities, and a substantial collection is held by the University of Parma.

STUDIO CENACCHI

Studio Cenacchi was founded in 2016 out of Jacopo Cenacchi's research into and passion for contemporary art. The gallery occupies 160 square metres across three floors of the sixteenth-century Palazzo Ghiselli Vasselli, at Via Santo Stefano 63 in central Bologna.

The gallery presents artists working across a wide range of media and maintains direct relationships with them, placing particular emphasis on the quality of the works it exhibits. Its programme encompasses established and contemporary artists from Italy and abroad.

Studio Cenacchi also provides art advisory services for the acquisition of works of art, including visits to clients' homes and professional premises to develop bespoke proposals for displaying art in domestic and working environments.
